SUMMARY

A full stack web developer looking for a position doing front end or creative development. I have technical skills in HTML, CSS, JavaScript, Github, Node, React, API usage, and more. Earned a certificate in Full Stack Web Development from the University of New Hampshire/EdEx Coding Boot Camp and am still learning and growing as a developer.
Able to work alone or with others and am always interested in learning more and building upon the knowledge base I already have.
Strengths in dependability, creativity, communication and problem solving.

TECHNICAL SKILLS

Technical Languages & Applications: *HTML, CSS, JavaScript, Github, Node js, React, API's, Express, JQuery, SQL, MongoDB, Bootstrap*

PROJECTS

Find my projects on my Portfolio at github.com/smrsun/Main-portfolio
